The Club Calendar is in process of preparation and we will publish it with the January Newsletter. The committee will be busy on this item, as there are so many things to take into consideration. If you have any ideas or suggestions please phone our Vice-Commodore or Fleet Captain. Phone numbers on first page.

Executive meetings will be held on the last Monday of each month. The next to be held on January 5th, 1983 - because of the Holiday Season.

As you will see we have an application for membership as part of this newsletter. We still need new members, so if you know anyone you can persuade, cajole, or blackmail into becoming a member give them the application.

3. At the end of March a listing of the members will be made for inclusion in the Club Log for the year, so that it can be in your hands by a reasonable date.
