

1987 Bayfield 32C Off-shore Cruiser

A Beautiful example of Ted Gozzard's classic **1987 Bayfield 32C offshore full-keel cruiser** with only **3'9" draft** and one of the last to leave the Bayfield Boatyard, she is truly one of a kind, meticulously maintained since new and has **extensive upgrades, many that earlier models lack**, such as: **8 "Atkins & Hoyle" opening & screened ports, double door vented companionway doors with built-in teak screen** as well as a **teak screened forward hatch with added "micro" solar vent & 2 teak dorades, a 3 cylinder 27hp. Yanmar diesel, fold-a-way teak table** in main salon, and the **4' teak bowsprit, shorepower, pressure hot & cold water w/shower, Novacool refrigeration & freezer** are other factory upgrades that sets this 32C apart from most others. A **Freshwater boat** until a recent move to B.C. and the **same owners for over 20 years** took great care to ensure that this boat was **epoxied with 3 coats of interlux 2000 and 4 coats of micron CSC antifouling** before ever being exposed to salt water and outfitted with **all new "sunbrella" boat canvas** dodger, bimini, lee cloths and instrument covers, & Force 10 BBQ. Ground tackle includes **electric "lofrans – tigris" windlass** (operational from cockpit or forward) with **200 ft. of 3/8" Triple B (BBB) chain** attached to **200 ft. of 5/8" anchorline, 33 lb. bruce and 35 lb. CQR anchors** and the **"Pace Edwards" mast-steps** make going a-loft a breeze!

Instruments: (2 GPS (one inside and out) & 3 Depthsounders (one inside and out)
Outside: Garmin 50 GPS, S R Mariner speed / knotlog / depth sounder and wind direction Raytheon L365 Depthsounder. **Inside:** Apelco 6750 Loran/GPS/depthsounder & Apelco 360 depthsounder, Raymarine Raystar 125 GPS Receiver, SRMariner Windspeed, engine hour meter, vhf radio, digital 3-way voltage battery monitoring, Kenwood AM/FM radio with c/d

player, Ships quartz clock & barometer, Trojan 450 amp hour battery house bank plus separate start bank. All lines and electric windlass lead back to cockpit, Inside, **new 4" dense foam cushions throughout**, new **diesel fireplace** with it's own diesel tank and gauge, **Radex cabin heater**, New **"Campbell" bronze 3 blade propeller**, **extensive wiring & electrical panel upgrades**, **"Xantrex" 40 amp 2-bank shorepower charger**, **Belmar hi-output 100 amp. Alternator complete with Belmar 3 stage regulator**. Galley has **additional teak preparation table** which doubles the counterspace, **Origo 6000 stove with oven**, coffee perk, kettle, new nautical dishes, utensils – even pots & pans. **A huge amount of storage has been added under each "lift-up" setee – compete with lights!**

Safety equipment includes: three **Bilge Pumps** (Henderson Mark V, Rule 1 1/2 ", Jabsco 1"), a **"lifesling"**, **Olin flare gun complete with flares**, **Man-overboard buoy & pole**, & 2 **boathooks**.
Sail inventory: North Sails **Genaker with snuffer-chute** (used to douse or deploy the sail). mainsail **with lazy-jack system** and **3 reef-points with jiffy reefing, roller furling, 103% headsail** as well as a Yankee and staysail, **as this boat is so unique, it can be sailed as a sloop or a cutter rig**, due to the removable inner stay which is outfitted with a **"hi-field lever"**. All through-hulls have been changed over to **"bronze ball-valves"** (a very expensive undertaking). **New offshore lifelines and gates complete with 1" stainless steel handrails all around, radar pole complete with outboard motor-lift. Unicellular foam cockpit cushions, a 10' Achilles hypalon dinghy complete with an 8 hp. Yamaha motor.** A recent boat survey (by a well-known, competent boat surveyor) was very impressed with this gorgeous boat, it was definitely **the nicest Bayfield 32C he'd ever seen** and it is truly in **"better than new" condition**. The survey lists the market value over \$93,000 and a replacement value of \$230,000.
Available for viewing in Nanaimo, B.C. and Asking only \$69,500 CAD.
